QUALIFICATION SUMMARY

I'm currently in my third year of studying Bachelor of Arts in Social Work at Saraswati Multiple Campus. Alongside my passion for social work, I've recently developed a strong interest in Information Technology. I believe that combining IT skills with my social work background can help me better understand and address real-world challenges in my community. I'm excited to learn more about technology, especially how it can be used to analyze data and create meaningful change. I'm eager to grow both personally and professionally by applying what I learn to make a positive impact.
